| 2. Hazard(s) identification                  | n  |  |  |
| Physical hazards                             | Not classified.  |  |  |
| Health hazards                               | Not classified.  |  |  |
| Environmental hazards                        | Not classified.  |  |  |
| OSHA defined hazards                         | Not classified.  |  |  |
| Label elements                               |  |  |  |
| Hazard symbol                                | None.  |  |  |
| Signal word                                  | None.  |  |  |
| Hazard statement                             | Not available.   |  |  |
| Precautionary statement                      |  |  |  |
| Prevention                                   | Not available.   |  |  |
| Response                                     | Not available.   |  |  |
| Storage                                      | Not available.   |  |  |
| Disposal                                     | Not available.   |  |  |
| Hazard(s) not otherwise<br>classified (HNOC) | None of the other ingredients in this preparation are classified as carcinogens according to ACGIH, EU, IARC, MAK, NTP or OSHA.  |  |  |
| Supplemental information                     | This product is not classified as hazardous according to OSHA CFR 1910.1200 (HazCom 2012).   |  |  |

### 3. Composition/information on ingredients

Mixtures

| Chemical name              | ne Common name and synonyms CAS number |              | %   |  |
|----------------------------|--|--------------|-----|--|
| Styrene acrylate copolymer |  | Trade Secret | <85 |  |
| Pigment                    | Pigment                                | Trade Secret | <10 |  |
| Wax                        | Wax                                    | Trade Secret | <10 |  |
| Amorphous silica           | Amorphous silica                       | 7631-86-9    | <3  |  |

| 4. First-aid measures                                    |  |  |
|--|--|--|
| Inhalation   | Move person to fresh air immediately. If irritation persists, consult a physician.   |  |
| Skin contact   | Wash affected areas thoroughly with mild soap and water. Get medical attention if irritation develops or persists.   |  |
| Eye contact  | Do not rub eyes. Immediately flush with large amounts of clean, warm water (low pressure) for at least 15 minutes or until particles are removed. If irritation persists, consult a physician. |  |
| Ingestion  | Rinse mouth out with water. Drink one to two glasses of water. If symptoms occur, consult a physician.   |  |
| Most important<br>symptoms/effects, acute and<br>delayed | Not available.   |  |
| 5. Fire-fighting measures                                |  |  |
| Suitable extinguishing media                             | CO2, water, or dry chemical  |  |
| Unsuitable extinguishing media                           | None known.  |  |
| Specific hazards arising from the chemical               | Like most organic material in powder form, toner can form explosive dust-air mixtures when finely dispersed in air.  |  |

| the chemical  |   |
|---|---|
| Special protective equipment and precautions for firefighters | Not available.  |
| Fire fighting<br>equipment/instructions                       | If fire occurs in the printer, treat as an electrical fire. |
| Specific methods  | None established.   |

#### 6. Accidental release measures

| Personal precautions,<br>protective equipment and<br>emergency procedures | Minimize dust generation and accumulation.  |
|---|---|
| Methods and materials for<br>containment and cleaning up                  | Slowly vacuum or sweep the material into a bag or other sealed container. Clean remainder with a damp cloth or vacuum cleaner. If a vacuum is used, the motor must be rated as dust explosion-proof. Fine powder can form explosive dust-air mixtures. Dispose of in compliance with federal, state, and local regulations. |
| Environmental precautions   | Do not flush into surface water or sanitary sewer system. See also section 13 Disposal considerations.  |
| 7. Handling and storage   |   |
| Precautions for safe handling   | Keep out of the reach of children. Avoid inhalation of dust and contact with skin and eyes. Use with adequate ventilation. Keep away from excessive heat, sparks, and open flames.  |
| Conditions for safe storage,  | Keep out of the reach of children. Keep tightly closed and dry. Store at room temperature. Store  |

# **Conditions for safe storage,** Keep out of the reach of children. Keep tightly closed and dry. Store at room te away from strong oxidizers.

## 8. Exposure controls/personal protection

**Occupational exposure limits** This mixture has no ingredients that have PEL, TLV, or other recommended exposure limit.

| Components                          | Туре   | Value  |  |  |
|-------------------------------------|--|--|--|--|
| Amorphous silica (CAS<br>7631-86-9) | TWA  | 6 mg/m3  |  |  |
| Biological limit values             | No biological exposure limits noted  | No biological exposure limits noted for the ingredient(s).     |  |  |
| Exposure guidelines                 | USA OSHA (TWA/PEL): 15 mg/m3 (Total Dust), 5 mg/m3 (Respirable Fraction)<br>ACGIH (TWA/TLV): 10 mg/m3 (Inhalable Particulate), 3 mg/m3 (Respirable Particulate)<br>Amorphous silica: USA OSHA (TWA/PEL): 20 mppcf 80 (mg/m3)/%SiO2, ACGIH (TWA/TLV)<br>mg/m3 |  |  |  |
|                                     |  |  |  |  |
|                                     |  |  |  |  |
|                                     | TRGS 900 (Luftgrenzwert) - 10 mg   | /m3 (Einatembare partikel), 3 mg/m3 (Alveolengängige fraktion) |  |  |
| Appropriate engineering controls    | Use in a well ventilated area.   |  |  |  |

#### Individual protection measures, such as personal protective equipment

| Eye/face protection           | Not available. |
|-------------------------------|----------------|
| Skin protection               |                |
| Hand protection               | Not available. |
| Other                         | Not available. |
| <b>Respiratory protection</b> | Not available. |
| Thermal hazards               | Not available. |
|                               |                |

#### 9. Physical and chemical properties

| •  | • •   |  |
|--|---|--|

### 11. Toxicological information

#### Information on likely routes of exposure

| Information on likely routes of ex   | •   |  |
|--|---|--|
| Inhalation   | Under normal conditions of intended use, this material is not expected to be an inhalation hazard   |  |
| Skin contact   | Contact with skin may result in mild irritation.  |  |
| Eye contact  | Contact with eyes may result in mild irritation.  |  |
| Ingestion  | Ingestion is not a likely route of exposure.  |  |
| Symptoms related to the physical, chemical and toxicological characteristics | Not available.  |  |
| Information on toxicological effe  | cts   |  |
| Acute toxicity   | Based on available data, the classification criteria are not met.   |  |
| Skin corrosion/irritation  | Based on available data, the classification criteria are not met.   |  |
| Serious eye damage/eye irritation  | Based on available data, the classification criteria are not met.   |  |
| Respiratory or skin sensitization  |   |  |
| Respiratory sensitization  | Based on available data, the classification criteria are not met.   |  |
| Skin sensitization   | Based on available data, the classification criteria are not met.   |  |
| Germ cell mutagenicity   | Negative, does not indicate mutagenic potential (Ames Test: Salmonella typhimurium)<br>Based on available data, the classification criteria are not met.        |  |
| Carcinogenicity  | Based on available data, the classification criteria are not met.   |  |
| Not listed.  | Evaluation of Carcinogenicity   |  |
| Not regulated.<br>US. National Toxicology Pro                                | gram (NTP) Report on Carcinogens  |  |
| Not listed.  |   |  |
| Reproductive toxicity  | Based on available data, the classification criteria are not met.   |  |
| Specific target organ toxicity - single exposure                             | Based on available data, the classification criteria are not met.   |  |
| Specific target organ toxicity - repeated exposure                           | Based on available data, the classification criteria are not met.   |  |
| Aspiration hazard  | Based on available data, the classification criteria are not met.   |  |
| Further information  | Complete toxicity data are not available for this specific formulation<br>Refer to Section 2 for potential health effects and Section 4 for first aid measures. |  |

## 12. Ecological information
