| A. DRAFT U.S. ACOE Facilities Condition Assessment, GMHA, 18-22 November 2019 | Mr. Kando emphasized that the report provided was only in draft form and was not a final copy. He mentioned that the GMHA was given the opportunity to review the draft and provide comments. Included in GMHA’s comments were: the parking situation, and the aged (40-yr. old) fire-sprinkler system throughout the facility. Mr. Kando informed the Board that the grantor of this project was The Department of Interior - Office of Insular Affairs. The following were listed in the executive summary as major concerns related to the infrastructure:  
- failure of the roof and exterior window assemblies;  
- Z-wing has structurally failed and is unsafe;  
- A and B wings needed structural analyses;  
- non-compliant, aged electrical distribution system; | | | |
- incomplete fire sprinkler protection throughout the facility;
- incomplete firewall barriers and fire zone separation;
- corrosive failure of mechanical air distribution systems;
- improper air pressurization of the facility;
- inadequate sizing of inpatient rooms, lack of privacy and ADA non-compliant;
- medical equipment is antiquated and in need of repair or replacement.

Also indicated in the draft was an estimate of $21M in immediate repairs needed. The GMHA had requested for a breakdown of the repair work and associated costs.

It was mentioned that the immediate repairs would make the facility safe for occupancy for the next 5-7 years allowing time for the planning and construction of a new facility – which was the ACOE’s overall recommendation.

Mr. Kando mentioned that the assessors gave kudos to the Facilities Maintenance Department for its maintenance program implemented over the years.

To date, a formal response from the ACOE was pending. The final report will be shared with CMS, as requested, upon receipt.

Other discussion(s):
Trustee Davis suggested having the Skilled Nursing Facility included in the drawings for the new facility to keep up with CMS requirements.

<tr>
<th>V. PUBLIC COMMENT</th>
</tr>
</thead>
<tbody>
<tr>
<td>Governor Leon Guerrero explained that the ACOE compared the modern healthcare systems to GMHA and gave their expert advice on the options that were available. The Governor’s inclination was to build a new facility, as recommended by the ACOE, because the condition of</td>
</tr>
</tbody>
</table>
the existing facility required extensive and costly renovations on a structure that was over 40 yrs. old. Trustee Waibel agreed and pointed out that hospitals in the U.S., similar in age as the GMHA, experienced the same issues, according to the ACOE.

Governor Leon Guerrero mentioned that she had requested for the Department of Land Management to conduct an inventory of property to construct a new facility, and was also working with the military on the return of property located in the village of Barrigada.

The pros for the Barrigada property were the existing infrastructure (utilities) and the centralized location.

Governor Leon Guerrero expressed her desire to include a public health center in the drawings, making the new facility a medical campus.

As far as immediate repairs were concerned, Governor Leon Guerrero mentioned that $3.5M in DOI funding had been earmarked for repairs to the HVAC system. She expressed, in her opinion, that the cost for roof repairs will exceed $1.1M, and identified the project as a high priority along with the window repairs.

Governor Leon Guerrero hoped that the Guam Power Authority and GMHA would continue collaborating for the maintenance and repairs of the electrical distribution system. In response to Trustee Evaristo’s inquiry of whether the arrangement with GPA was acceptable by CMS, Mr. Kando stated that CMS held organizations accountable to its action plans, but does not generally dictate what actions to take.

In terms of funding, Governor Leon Guerrero mentioned that the government will look into: public-private partnerships; Capital Gains taxes/credits; refinancing bonds; and DOI funding for the construction of a new facility, and use of a $25M line of credit for renovations.

Ms. Posadas pointed out that the estimates provided by the ACOE may increase considering Guam’s geographical location and availability of resources.
Senator Therese Terlaje expressed her concern with the hospital’s structural condition and requested for the immediate repairs, as recommended by the ACOE, to be followed through.

| A. Takecare Insurance | Ms. Posadas reported that Takecare still owed approximately $13M in claims for services rendered to its subscribers.  

The GMHA issued a demand for a payment of $1.06M in March 2020 and, as a result of the demand not being met by TakeCare, the GMHA discontinued accepting TakeCare insurance.  

TakeCare requested for a meeting to discuss its reconciliation plan; however, with no success in securing payment from TakeCare for monies owed, Ms. Posadas did not engage in further discussions. Legal Counsel had reached out to TakeCare’s attorney to discuss the matter further, and was informed that TakeCare’s Offices were closed due to the Coronavirus pandemic.  

Ms. Posadas informed the Board that GMHA continued treating TakeCare subscribers, but noted that they were processed as self-pay and were required to sign a payment agreement at discharge. It was noted that over $400K in claims had been generated from TakeCare subscribers. Ms. Hechanova further explained that a new financial class, “Takecare Self-Pay,” was generated to keep track of the TakeCare subscribers processed as self-pay.  

Ms. Hechanova informed the Board that there was a clause in the Provider Agreement btw. GMHA and TakeCare that allowed for interest to be charged against monies owed, on a monthly basis.  

Trustee Almonte suggested elevating the matter by writing a letter to TakeCare’s President. | None | None | None |
| --- | --- | --- | --- |
| B. COVID-19 Updates | Ms. Posadas provided a thorough report of COVID-19 updates. The following is a highlight of events:  

- To date, there were 26 COVID positive patients treated at the GMHA. Of the 26 patients, 16 recovered and 4 were deceased.  

The patients whose level of care were downgraded were transferred to the COVID ISO. | None | None | None |
Facility, and then discharged to home or quarantined at the designated government facility (Days Inn).

Three more patients were scheduled for transfer to the CIF on April 8, 2020.

Dr. Bordallo informed the Board that the 4 deceased patients were elderly and had pre-existing medical issues. She stated that most patients who were admitted were in their mid to late 50’s, into their 60’s. The deaths were patients in their 70’s and 80’s.

There were ongoing discussions regarding the evacuation of the elderly population and those with comorbidities (also in that age bracket).

Dr. Bordallo advised everyone to include fruits in their diets; wear a mask; and for those working in COVID Care areas to wear gloves.

As of April 8, 2020, there were: 14 COVID Positive patients in Care 2; 5 in Care 3; 7 at the CIF; there were PUI’s in the ER and Care 1 awaiting test results; and two (2) COVID positive patients were on ventilators.

There were 12 GMHA employees who were COVID positive. Of the 12, 4 were from OR, 3 from Medical-Telemetry, 3 from Dietetic Services, 1 patient courier, and 1 nurse aide from Surgical. Five (5) COVID positive patients were kept in isolation away from their families.

Beginning April 9, 2020, accommodations will be available for employees who wish to be quarantined. The designated facility will accommodate up to 190 government employees. For everyone’s safety, employees will be provided with the appropriate PPE while on duty and are required to decontaminate before being transported to the quarantine site.
• With projections of up to 250 patients needing hospitalization for COVID-19, plans were in place to relocate SNF residents to another location (CSS Facility) in order to decompress the GMHA. GRMC will also be designated to treat non-COVID patients.

The Medical-Telemetry unit will be converted to Care 4 and will have a 26-bed capacity.

Mr. Kando stated that decontamination procedures have been established for all areas under renovation, which included training and monitoring to ensure that employees were following protocols.

• 35 ventilators were received from HSS.

• Nurses from the community and other government agencies were assigned to help meet demands. So far, 5 school nurses have been detailed to GMHA, but require training for the acute care setting.

Trustee Almonte inquired if nurse prepared individuals were able to assist as CNA’s, or given temporary licenses to function as a registered nurse until they are able to pass the NCLEX.

She mentioned that 11 students under the EMT Program were detailed to GRMC to assist.

• At this time, there were no plans to relocate Maternal Child Health (MCH) services, because there was a lack of data and evidence to support the move.

• The Department of Public Health and Social Services was conducting an investigation and surveillance into how COVID positive patients contracted the virus, to include GMHA employees.
Ms. Hechanova was looking into retroactive payments from Medicare, and opportunities for uninsured patients to qualify for Medicaid coverage.

As for staffing, nurses were being assigned to different units based on the census and staffing needs.

The U.S. Air Force secured 100 personnel, and the U.S. Army 120, to staff the military facility. However, they may also be able to assist the GMHA however needed.

Dr. Bordallo informed the board that there were community volunteers who expressed interest in assisting the hospital with PR-related activities like sharing our success stories and educating our employees and the community.

Ms. Posadas informed the Board that various donations of food, supplies and equipment, and monetary proceeds have been received to support patients and front line workers. The GMHA has also received thank you messages and video clips from schools and the community.

C. COVID-19 Response Differential Pay

Ms. Posadas reported that Governor Leon Guerrero passed Executive Order No. 2020-08 establishing the creation of a three (3) tier COVID Response Differential Pay, made effective April 5, 2020, for essential employees who were required to report for duty.

These tiers were as follows:

- 25%- For employees who are in direct contact or proximity of PUIs or COVID positive patients;
- 15%- For those who may incidentally come into contact with PUI’s or COVID positive patients;
• 10%- For essential employees who are not in direct contact with PUI’s or COVID positive patients, and who reported to their work site.

Employees will receive differential based on their roles in the position they held; their level of risk of exposure to PUI’s and COVID positive patients, and their assigned area(s).

An analysis conducted by Fiscal Services indicated that the differential would cost around $356K in additional payroll expenses. The differential will be paid starting with the next payroll run.

It was noted that the Executive Order would have superseded any resolution passed by the Board to incentivize employees for reporting for duty during the pandemic.

Other Discussions:
Trustee Nededog expressed her appreciation for GMHA in response to the pandemic and the measures that have been taken to prevent the spread of the virus.

She encouraged management to continue communicating with the Board on a daily basis, and requested for a formal report to be presented of all the events surrounding the pandemic.

Ms. Posadas suggested for the Board to create a message of appreciation and show of support for the employees.

V. MANAGEMENT’S REPORT

Dr. Prins personally acknowledged Dr. Aguon, Dr. Taylor, Dr. Alford, Dr. Jeff Cruz, Dr. Cook-Huynh, Dr. Carlson, Dr. Weingarten and all other physicians for efforts since the start of the pandemic.

He stated that, after hearing stories from his contacts, GMHA was above and beyond many big hospital systems in the U.S.
Trustee Evaristo requested for Dr. Prins to prepare a letter recognizing these individuals for their roles in response to the pandemic.

Trustee Obispo expressed her gratitude towards the employees and medical staff of the GMHA, and how proud she was to be Chair of the Board of Trustees.

### VI. MANAGEMENT’S REPORT

#### A. Joint Conference and Professional Affairs (JCPA)

1. 2020-19, Relative to the Reappointment of Active Medical Staff Privileges (exp. 02/28/22) for:
   - Sarah Bumps, MD;
   - William Graf, MD;
   - Ronald Fronda, MD.

2. 2020-20, Relative to the Reappointment of Medical Staff Privileges (exp. 02/28/22) for:
   - Joel Rubio, MD;
   - Thomas Shieh, MD

3. 2020-21, Relative to the Appointment of Provisional Medical Staff Privileges (exp. 02/28/21) for:
   - David Lee, MD;
   - Clark Knutson, MD;
   - Daniel Baker, MD

4. 2020-22, Relative to the Appointment of Allied Health Professional Provisional Staff Privileges (exp. 02/28/21) for:
   - Monica Webb, CNM

5. 2020-23, Relative to the Reappointment of Full Allied Health Professional Staff Privileges (02/28/22) for:
   - Pamela Creighton, CRNA

Dr. Um reported that there were two practitioners who were placed on FPPE (but were satisfactory), and recommended the Board’s approval of privileges for all practitioners identified in Resolutions 2020-19 through 2020-25.

Dr. Um motioned, and it was seconded by Trustee Nededog, to approve Resolutions 2020-19 through 2020-25 as presented. The motion carried with all ayes.

It was stated for the record that Trustee Allen, who was present via voice call only, was in support of approving Resolutions 2020-19 through 2020-25.

Sarah Thomas-Nededog
Secretary
Hello Stephanie,

Here is our notice for posting:

The GMHA Board of Trustees will convene for a meeting via Zoom Video Conferencing on Tuesday, April 28, 2020 at 5:00 p.m.
To join the meeting, you may enter the link below in your browser or download the app on your mobile device, and enter Meeting ID: 897 1969 2151; Password: 026771.

Join Zoom Meeting
https://us02web.zoom.us/j/89719692151

Please note that the first order of business will be an executive session to discuss a personnel matter. Only Board members and the court reporter will be "admitted" at the start of the conference call. All other participants will remain in the "Waiting Room" and admitted when executive session ends and the Board reconvenes for regular session.

For further inquiries, please contact the Board Desk at 648-7997.

Please let me know if you have any questions or concerns,

Thank you,

Justine A. Camacho
Administrative Assistant
Guam Memorial Hospital Authority
850 Gov. Carlos G. Camacho Road
Tamuning, GU 96913

Work: (671) 648-7997
