</thead>
</table>
| No existing section. New Section | ARTICLE XII, COMMITTEES OF THE STAFF  
SECTION 12.16  
CLINICAL EMERGENCY PREPAREDNESS TEAM COMMITTEE  
12.16-1 Composition  
\[ a. \] The Clinical Emergency Preparedness Committee shall consist of a multi-disciplinary team consisting of members from the Active/Provisional Medical Staff that could be from each of the following defined medical staff specialties: Critical Care (includes Intensive Care and Hemodialysis), Emergency Medicine, Internal Medicine, Radiology, Infectious Disease, Pediatrics, Anesthesia, Surgery, Special Services and OB/GYN.  
\[ b. \] It may also include members from defined clinical, Nursing and Ancillary Specialties: Critical Care, Clinical Pharmacists, Chief of Pharmacy, representative from the Environment of Care Committee, Infectious Disease, Clinical Social Worker and Nursing Leadership.  
\[ c. \] Depending on the clinical emergency, specific members may be chosen by the Associate Administrator of Medical Services (AAMS), Associate Administrator of Clinical Services (AACS), and activated by the Chief Executive Officer (CEO) of GMHA.  
\[ d. \] The Clinical Emergency Preparedness Committee will be under the Medical Executive Committee with the chairperson nominated by the MEC, and appointed by the MEC president. The chair will be eligible for a stipend and the ability to bill for administrative hours as outlined in the GMH Pandemic plan.  
12.16-2 Duties  
The Clinical Emergency Preparedness Committee shall:  
\[ a. \] Provide leadership as the clinical arm while working closely with the Operations Environment of Care committee and executive leadership, including the administratively appointed Emergency Medical Director, to enhance organization for the purposes of combating a hospital-wide clinical emergency.  
\[ b. \] Be an active committee, as pursuant with GMHA Medical Staff Bylaws, if there is a | To establish clear guidelines for the Clinical Emergency Preparedness |
clinical emergency. It will be deactivated only by the CEO under the direct guidance and recommendations from the AAMS, AACS, and the MEC president.

12.16-3 **Objectives:**
To focus on the clinical provision of safe hospital-wide care when clinical emergencies arise that will involve hospital-wide measures and services. To assure that the hospital has clinical protocols and policies, if applicable, that have been vetted and implemented to aid in the specific clinical emergency. Each protocol or policy, may have the following, if applicable:

a. Be based on an accurate description of individual and aggregate hospital-wide needs and requirements
b. Be based on the specialized qualifications and competencies of the clinical staff
c. Be consistent with nationally recognized evidence-based standards and guidelines established by the professional clinical specialty organizations, i.e. Centers of Disease Control (CDC) and World Health Organization (WHO) and the Local Guam Department of Public Health and Social Services (DPHSS)
d. Address issues related to the existing pandemic clinical plans to include and incorporate all hospital-wide areas needed for proper response
e. Work within the parameters of the medical executive committee, hospital leadership, and subsequently the Board of Trustees
f. To work in collaboration and report to the MEC on all clinically based issues.
g. To work in collaboration with the Environment of Care Committee to assure input from all appropriate hospital direct care and specialty caregivers into unit-based plans. This input will then provide oversight and assurance that relevant information is incorporated into the hospital-wide plan.
h. To monitor data related to patient safety and outcomes and make appropriate modification recommendations as needed.
i. To assure that at least an annual review of the plan is performed and submitted, as part of the hospital’s quality management processes, to the CEO or designee for its review and completion of any necessary revisions.

12.16-4 **Roles and Responsibilities of Membership:**

a. **Leadership:**
   i. The chairperson of the Committee will be nominated by the MEC and appointed by the MEC president from the Active or Provisional Medical Staff membership.
   ii. There may be a need for a vice chairperson of the Committee who will also come from the active or provisional medical staff, but again must be appointed by the MEC president based on their discretion.
b. **Responsibilities of the membership in this Committee:**

i. Be responsible for inter-disciplinary protocols including but not limited to developing, implementing, monitoring, evaluating, and modifying as needed.

ii. Establish and agree to a working charter

iii. Term of committee membership: As pursuant to the GMHA policies

iv. All members are expected to attend all meetings and follow up on action items. Please notify chair if unable to attend.

v. Consistent attendance (two or more unexcused absences will result in follow up. Unexcused absences can be made up by reading the minutes of missed meetings.)

vi. Commitment to participation

vii. Follow through with action items

viii. Communication with colleagues hospital wide to assure input

ix. Meeting minutes will be made available hospital wide.

x. For issues requiring additional discussion or if potential impasse arises, the committee may form smaller groups to address issues and bring back for recommendations to the larger committee.

c. **Responsibilities of the Chairperson of Committee:**

i. Lead the Committee in the meetings, or make appropriate accommodations if unable to lead the meetings.

ii. To be in active communication with the executive hospital leadership and attend meetings as designated for this purpose as called upon the hospital executive leadership.

iii. To be available for questions from the Board of Trustees.

12.16-5 **Meetings, Reports and Recommendations:**

a. Meeting dates frequency and times will be discretionary per the Chairperson of Committee with direct oversight from the MEC president, AAMS, AACS, and CEO.

b. Meetings may be conducted either in-person, virtually or possibility mixture of both per the Chairperson of Committee discretion.

c. The Committee has authority – to gather data, to make recommendations, to pause, to clarify or negotiate, to act, to implement, and give oversight for clinical protocols per the said clinical emergency of which the Committee has been activated by the CEO.

d. Signature page is attached for all protocols and policies of the Committee in the order of: Clinical Emergency Preparedness, Medical Director, Medical Executive Chairman, Nursing Management, Incident Commander, and if applicable Associate Executive, whether it be from Fiscal or Operations, AAMS or AACS, and CEO (or designated authority).
