2026 Heartcode BLS Precourse Letter

Welcome to the 2026 HeartCode® BLS Course!

This course has 2 components: an online portion (\$37.00* fee is paid online via a credit card) and an instructor-led classroom portion. You must complete the online portion first at **<https://elearning.heart.org>** (you must register if you are a first time user otherwise log in to your existing account.)

Heartcode BLS Online Course Code: 25-2926

<https://elearning.heart.org/course/1583>

HeartCode® BLS Online is a self-directed, comprehensive eLearning program that uses adaptive learning technology to allow learners to acquire and demonstrate Basic Life Support skills using a personalized learning path that adapts in real time to a learner's performance. The program is designed for healthcare professionals who need Basic Life Support training for their clinical duties. Utilizing a variety of eLearning assets such as dramatizations, Cognitive Assessment Activities, illustrations, knowledge checks and interactive activities, this program teaches BLS knowledge and skills. This method of learning provides training consistency and adaptability to different learning styles. Students can work at their own pace applying their knowledge to real-time decision making. Debriefings and coaching are provided immediately after each knowledge check and each Cognitive Assessment Activity. Students who successfully complete the cognitive portion and the hands-on session (skills) will receive an AHA BLS Provider course completion card (eCard), valid for two years.

Important: You must print the certificate of completion at the end of the online portion. You will need to give this to your instructor when you attend the classroom portion. It is necessary to show that you completed the online portion and passed the exam. If you do not have your certificate of completion, you will not be able to complete the skills practice and testing of the course.

The Skills Practice and Testing Will Be

DATE: May 30; June 27; July 25; August 22; September 26;
October 24; November 14; December 12

TIME: Saturday @ 9am-12:30pm

LOCATION: 4th floor GMHA Education Classroom

Please wear loose, comfortable clothing. You will be practicing skills that require working on your hands and knees, bending, standing, and lifting. If you have physical conditions that might prevent you from participating in the course, please tell one of the instructors when you arrive for the course. The instructor will work to accommodate your needs within the stated course completion requirements.

If you need to reschedule, this must be done 10 days prior to the course. Course fees will not be refunded for cancellations made less than 10 days prior to the course.

We look forward to welcoming you. If you have any questions about the course, please call Education Office at 671.647.2350.

Sincerely,
Cassandra Castro
GMHA ITC Coordinator
