Thank you for considering us to be your medical and dental provider for FY 2022. We are encouraged by the significant number of calls welcoming our services back as a provider to the Government of Guam, and we look forward to the opportunity to service you as your health plan in the years ahead. During the past two years, we made numerous changes to provide you and your family with an enhanced member experience and a more comprehensive medical provider network.

Tokio Marine Pacific Insurance insures the medical plans, while the dental plan is self-funded by the Government of Guam and exclusively administered through us. The information in this packet will help you learn about the benefits available to you, how to use them, and how to enroll.

During FY2022, active employees and retirees will be able to choose from two medical (2) plans: the HSA2000 and the PPO1500. For retirees with Medicare A and B, we offer the Retiree Supplemental Plan. Below are some key features of these plans:

- A comprehensive and extensive medical network, featuring access to the UnitedHealthCare Network of providers in the Continental U.S. with over 1 million providers
- 100% coverage with our gym partners: Custom Fitness, Paradise Fitness, Synergy Studios, and Unified, for you and your eligible dependents
- Fitness Reward program
- Wellness Rewards
- Membership in the Calvo’s LifeStyle Club that provides you numerous savings and discounts at popular merchants on Guam
- 50% Air Ambulance Discount
- Airfare to our Centers of Excellence for certain qualifying and pre-approved conditions

We have worked to make enrollment as easy as possible for you, with our new online enrollment tool. Visit enroll.calvos.net/govguam to submit your enrollment information and upload any pertinent enrollment documentation (birth certificates, domestic partner affidavits, legal guardianship, etc.), from the convenience of your desktop or mobile device.

Through our website, www.calvos.net, you will be able to download your member ID card, view your claims, upload document submissions, download forms and handbooks, and manage your deductible. You can also manage your prescription medications through the OptumRx website and use the Provider Finder Tool through the United HealthCare website, both links can be found on www.calvos.net.

We hope that you will notice the many improvements we have made and we look forward to meeting you during open enrollment and working with you in the upcoming year. We thank you in advance for your continued support and for the trust that you and your family have placed with us.

Si Yu’os Ma’ase.
We look forward to servicing you.

Becoming a Member (cont.)

**Enrollment Period**
You may elect to enroll on any of these occasions.

- **Initial Employment.** You may enroll within 31 days from the date you first become eligible to enroll in the plan.
- **Annual GovGuam Open Enrollment Period.**
- **Special Enrollment Periods:** Full-time employees and their eligible dependent(s) may enroll outside of open enrollment as a result of a Qualifying Event as defined by H.I.P.A.A. Under H.I.P.A.A. a Qualifying Event is an event that causes you to loose coverage in another health plan due to:
  - Termination of spouse’s coverage or death of your spouse.
  - Divorce, Annulment or Legal Separation from your spouse.
  - Medicare or Medicaid eligibility ends.

A Special Enrollment opportunity also occurs if you acquire a new dependent through:

- Birth or Adoption.
- Legal Guardianship.
- Marriage.

Enrollment Applications or Change of Status (COS) Forms and any required documents must be submitted within 31 days following a Qualifying Event. If you have lost coverage in another health plan due to a Qualifying Event, you are also required to submit a H.I.P.A.A. Certificate of Creditable Coverage from your previous plan. Your previous plan is required to issue a H.I.P.A.A. Certificate to you in a timely manner.

Your coverage will begin on the first day of the first Premium Period following receipt of your Enrollment Application by Calvo’s SelectCare.

For more information, please refer to the “Summary of Federally Mandated Programs” section of your Member Handbook.

**Adding Dependents and Changes to your Coverage**
You are able to enroll your new dependent(s), if you get married, obtain legal guardianship, adopt a child or have a newborn baby as long as they meet the eligibility requirements. Coverage begins on the first day of a Premium Period, however, coverage for newborn dependents begins at birth, and coverage for adopted dependents begins on the actual date of custody of the dependent.

If you do not enroll your dependents within the 31 day period from when they first become eligible, you would have to wait to enroll them during GovGuam’s next Open Enrollment Period.

To add dependents, you, as the subscriber must notify Calvo’s SelectCare in the following manner:

- Complete a “Change of Status” Form (COS),
- Submit all Required Documentation as outlined above.

**Updating Your Information**
Your Enrollment Application contains pertinent information. This information is very important because it identifies you and your dependent(s) as eligible members. Please inform our Customer Service Department immediately of any error on your Member ID Card or any changes in name, address, phone numbers or email address.

**Other Insurance**
Please submit a copy of your other health or dental insurance ID card for coordination of benefit purposes (to Include Medicare).

*Services covered by Medicare must be incurred by a Medicare participating provider. If your provider accepts Medicare assignment, then you pay nothing for covered charges. Services covered by Medicare and incurred at a non-Medicare provider within Guam/CNMI (or the United States) are not covered. If services are not covered by Medicare, services will only be covered at our participating provider per the benefits noted below. All services outside of Guam/CNMI require pre-authorization, to include the U.S. Mainland and Hawaii. With the exception of urgent and emergency care, services incurred outside of Guam/CNMI where pre-authorization was not obtained in advance of care will not be covered under the plan.

Plan pays Medicare Part A and Part B Deductible when applied by Medicare.

---

### Your Benefits: What the plan covers

Coordination of Benefits Questions

Why does Calvo’s SelectCare need to verify if I have other insurance coverage?
We need to know if there is more than one plan to provide benefits for a patient. It is necessary for us to identify which plan provides primary plan benefits and which plan provides secondary plan benefits. It is also important to update your COB record with the plan to avoid becoming responsible for any unpaid bills.

*Please note: There is no dual coverage for the same dependents within the Government of Guam
