AMENDMENT #5

GMHA IFB-005-2026

REAGENT/LEASE AGREEMENT FOR CHEMISTRY & COAGULATION ANALYZER SERVICES

This amendment is issued in response to a request submitted to Materials Management.

Question: As a result of the typhoon, our office operations were temporarily closed which caused delays in our preparation. In line with this, we would like to kindly ask if a one-week extension might be possible to help ensure a more competitive and complete submission

Response: After careful consideration, we have determined that the *current deadline of Tuesday, April 28, 2026, at 9:30 a.m.* will remain unchanged.

This procurement is time-sensitive, as the existing units are approaching replacement due to potential breakdown, and a timely award is necessary to maintain continuity of operations.

Except as amended herein, all other terms and conditions of IFB-005-2026 remain unchanged.

Please acknowledge receipt of this amendment by signing and returning it to Materials Management via email to materials.mgmt@gmha.org.

If you have any questions, please feel free to address your letter to Joleen M. Aguon, MD, and email it to the Materials Management department at materials.mgmt@gmha.org.

Sincerely,

DOLORES PANGELINAN

Hospital Materials Management Administrator
