AMENDMENT #2 GMHA IFB 019-2024 Medical Supplies II

This amendment in response to clarification received by JMI-Edison.

Question: After reviewing the price page/ specification forms, it does not mention whether equivalent or alternate items would be acceptable in place of the specified products. May we request for your confirmation if there is flexibility to use equivalent or alternate items that meet the required standard and specifications?

Response: Yes, as stated on the bid's Special Provisions Terms and Conditions, "Samples of equivalent product must be received for evaluation and is required for submission with bid packet; if offered product is not listed under the "Reference Product or Equivalent" section of this solicitation, a sample must be submitted (Paragraph 26, General Terms and Conditions)

Listing of current approved and unapproved products are available under each line item on the solicitation bid specifications. Anything not listed as "approved/unapproved" requires a sample and product literature for product evaluation.

Please acknowledge receipt of this amendment by signing and sending back to Materials Management by Fax at 649-3640 or email to materials.mgmt@gmha.org.

If you have any questions, please feel free to address your letter to Lillian Perez-Posadas MN, RN, and fax to the Materials Management Office at 649-3640 or email to the materials.mgmt@gmha.org.

Sincerely;

DOLORES PANGELINAN

Hospital Materials Management Administrator
