Amendment #4

GMHA IFB 001-2021

HOUSEKEEPING SUPPLIES

This amendment is in response to questions from WANG BROTHERS HOLDINGS LLC

Question 1. For Item Number 1, to print the biohazard symbol on the bag and in black lettering "Caution: Infectious Waste", is there a size of the logo and the size of the font that needs to be printed on the bag? Also, where should the logo be on the bag? Is it in the center of one side of the bag? Also, is it just print 1 logo and the phrase on the bag?

Answer 1. For the bio bags it should read: INFECTIOUS WASTE
(LOGO)
BIOHAZARD
INFECTIOUS WASTE

The wordings and logo should be printed in the center of the bag.
Specs: 1" - Black Lettering, Logo: 5" x 5"
Bag: Red

Question 2. For Item 3, it says a 5" x 5" bio hazard symbol and "Infectious Linen" in 1" red lettering on both sides of each bag, my questions was because the symbol ratio compared to the size of the bag is fairly small, I wanted to confirm that those were the correct dimensions. Lastly, because I thought it was such a small ratio compared to the bag, is the whole bag covered with the logo and the phrase or is it just 1 print of the logo of the symbol and the phrase on each side of the bag?

Answer 2. For the linen bags it should read: DANGER PELIGRO BIOHAZARD
(LOGO)
INFECTIOUS LINEN
SABANAS INFECCIOSAS

The wordings and logo should be printed in the center of the bag.
Specs: 1" - Red Lettering, Logo: 5" x 5"
Bag: Yellow

Question 3. For Item Number 5, to print the biohazard symbol on the bag and in black lettering "Caution: Infectious Waste", is there a size of the logo and the size of the font that needs to be printed on the bag? Also, where should the logo be on the bag? Is it in the center of one side of the bag? Also, is it just to print 1 logo and the phrase on the bag?

Answer 3. For the bio bags it should read: INFECTIOUS WASTE
(LOGO)
BIOHAZARD
INFECTIOUS WASTE

The wordings and logo should be printed in the center of the bag.

Specs: 1" - Black Lettering, Logo: 5" x 5"

Bag: Red

Sincerely,

Dolores F. Pangelinan

Hospital Materials Management Administrator
