Amendment #1

GMHA IFB 007-2021

PACKS AND TRAYS

This amendment is in response to reference / equivalent products and BID extension

Question 1. Upon review of the above bid package, we've notice the item lists of specification did not come with the reference products and / or equivalent notification.

Answer 1. Amendment issued to rescind pages 2, 23 to 38 and to be replaced with the corrected pages 2, 23 to 38. Which includes reference or equivalent information. Also, page 2, Item #1 last sentence (paragraph) date reads as January 26, 2021, change to read as, August 12, 2021 (see corrected page attached).

Question 2. To move the submission date from August 26 to September 9, 2021. Due to bulk of the item lists, we need ample time to process our bid tender.

Answer 2. GMHA approved for 2-week extension, therefore Submission of IFB 007-2022 changed to read: Thursday, August 26, 2021 at 1:00 pm. Please change to read as: Submission of IFB 007-2022 due on: Thursday, September 9, 2021 at 1:00 pm.

Question 3. May we request the scheduled of delivery from 60 days to 90 days ARO? Due to the Pandemic most manufactures have delays on production and couriers have delays of transiting of shipments to Guam.

Answer 3. GMHA approved request to reschedule of delivery from 60 days to read as 90 days ARO. Due to manufacturers production and courier Pandemic delays.

In reference to Guam Memorial Hospital Authority Sealed Bid Solicitation Instructions page 2, changed to read: January 26, 2021. Please change to read as: August 12, 2021

Sincerely,

Dolores F. Pangelinan

Hospital Materials Management Administrator
