

Dear Valued Customer:

Advanced Sterilization Products does not provide Material Safety Data Sheets for products defined as articles. Articles are specifically exempt from the requirement of providing a MSDS under 29 CFR 1910.1200.

OSHA's definition of an article in 1910.1200 is:

*Article means a manufactured item, other than a fluid or particles: (i) which is formed to a specific shape or design during manufacture, (ii) which has end use function(s) dependant in whole or in part, upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than very small quantities; eg: minute or trace amounts of a hazardous chemical, and does not pose a physical hazard or health risk to employees.*

This definition applies to the following product(s):

- CIDEX® Solution Test Strips – Product Code 2920/2927
- CIDEXPLUS® Solution Test Strips – Product Code 2926/2924
- CIDEX® OPA Solution Test Strips – Product Code 20392/20393
- STERRAD® Chemical Indicator Tape – Product Code 14200
- STERRAD® Chemical Indicator Strips – Product Code 14100
- STERRAD® BI Test Pack – Product Code 14310
- CycleSure™ Biological Indicator – Product Code 14324

If you have other questions or concerns regarding this issue please contact ASP Customer Support at 800-755-5900.

Sincerely,
